This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

THE Compiler of the following pages, in attempting for the first time to apply the principle of the English "Law List" to Upper Canada, feels that he must claim the indulgence of the Legal Profession for any errors or imperfections it may contain; and should he be encouraged to make the Work an annual publication, would be happy to receive any suggestions calculated to enhance its utility.

He would also beg to acknowledge his obligations to the heads of the various Departments, and especially to Charles C. Small, Esq., Clerk of the Crown and Pleas for Upper Canada, for their kind assistance rendered to him during the progress of the Work.

LAW SOCIETY OF UPPER CANADA.

The Law Society of Upper Canada was first established in 1797 by the 37 Geo. III., cap. 13, which enabled the Practitioners of the Law to form themselves into a society, and make rules for its government, under the inspection of the judges as visitors. The Act of 1822 (2 Geo. IV. cap. 5) incorporated the "Treasurer and Benchers of the Law Society," giving a perpetual succession and a common seal, in the usual manner of Acts of Incorporation.

Under these statutes the Society is governed by the Board of Benchers much in the same manner as the various Law Societies in London, England. The Benchers sit in Convocation every Term, and admit Students and Barristers. The examination for students, which is a Scholastic Examination, is conducted in the presence of the Benchers; and the examination of Barristers at the end of the term of five years, after admission is conducted by the Benchers in Convocation. This examination is in the various branches of legal learning. Each student on admission is a member of the Society and entitled to the use of the library. The revenue of the Society consists of the fees paid by Students and Barristers on their admission, and the fees, called Term fees, charged to practising Barristers. By an agreement with the Government, the Society furnish the Superior Courts with suitable accommodation for ever for the sum of £6000 currency. The library of the Society is of considerable value, and is of great service to the students and practitioners. The treasurer is elected annually, in Michaelmas Term, and enters upon his duties on the first day of the following term.

The following Standing Orders and Rules regulating the Admission of Students, and the Call to the Degree of Barrister at Law, were passed and approved in Hilary Term, 1855, and took effect from the following Michaelmas Term.

1. *Ordered:* That the examinations for Call to the Bar had under the rule of Trinity Term, 1 & 2 Wm. IV. cap. 12, and passed by the Convocation as sufficient to entitle the Candidates to their Degree of Barristers at Law, respectively be divided into two classes or orders—viz., those for "Call" simply, and those for "Call with Honors."

Digitized by Google

2. *Ordered:* That in future such examinations be partly oral as heretofore, and partly by printed or written questions to be delivered to the candidates assembled for that purpose previous to the examination day—such questions to be answered in writing under the supervision of the Examiner of the Society.

3. *Ordered:* That a Committee of three Benchers to be called the Committee of Questions, be appointed every term by Convocation, to frame and settle the questions to be printed or written for the examinations of the following terms: which Committee shall meet on the last Wednesday of the following vacation, when they shall be attended by the Examiner of the Society, and shall then frame and settle such questions for the examinations of the following term, and shall provide for the printing or copying of the same.

4. *Ordered:* That the Candidates for Call shall in future attend at Osgoode Hall on the Saturday next preceding the term, and shall receive from the Examiner a copy of the questions to be answered by them in writing, and shall then and there, under the supervision of such Examiner, frame the answers to such questions, and deliver such answers in writing to him for the Benchers in Convocation.

5. *Ordered:* That the attendances of such Candidates for the purposes mentioned in the foregoing Order be at 10 o'clock, A. M., and that the answers be delivered to the examiner by 3 o'clock, P. M., of the same day.

6. *Ordered:* That all Examinations for Call do take place on the first examination day of the term, being the first Monday therein; and all examinations for admission, on the second examination day of the term, being the first Saturday therein.

7. *Ordered:* That in the publication of Calls to the Bar, under the third particular Order of Convocation of Michaelmas Term, 3 Wm. IV., such Call as shall have been made with Honors be stated to have been so.

8. *Ordered:* That the form of the Diploma of Barrister at Law of this Society be altered by the inserting therein, between the name and addition of the Candidate and the statement of his Call to the Bar, the words, "having performed his exercises and passed his examination"—or the words, "having performed his exercises and passed his examination *with honors* "—as the case may be.

9. *Ordered:* That in addition to the question directed to be put to Convocation upon every application for call by the fourteenth Standing Order of Michaelmas Term, 3 Wm. IV., there be put, in cases of applications for Call with Honors, the additional question, whether such examination as had received and passed be "with honors," which question shall be put between the third and fourth questions as stated in that Order.

10. *Ordered:* That all candidates for a call to the Degree of Barrister at Law may, if they desire it, be examined for Honors; in which case they shall give notice thereof in writing to the Secretary at least one week previous to the term, and shall endorse their petitions for Call with the words "*for honors.*"

11. *Ordered:* That after the examination of any Candidate for Call shall have been received, passed and classed, and before the question for the Call of such candidate is taken, such candidate

Digitized by Google

may have leave to withdraw his petition for Call in like manner and subject to the like conditions as prescribed by the 17th Standing Order of Convocation of Michaelmas Term, 3 Wm. IV., for the withdrawal of a petition for admission under similar circumstances.

12. *Ordered:* That the professional parts of the Examination for Call under the 13th Standing Order of Convocation of Michaelmas Term, 3 Wm. IV., shall until further order be in the following books, with which the student will be expected to be thoroughly familiar: that is to say, when a candidate does not go in for a Call "*with honors,*" in

Reddie's Enquiries, Elementary and Historical, in the Science of Law.
Blackstone's Commentaries, Vol. 1.
Addison on Contracts.
Smith's Mercantile Law.
Williams on Real Property.
Story's Equity Jurisprudence.
Stephen on Pleading.
Taylor on Evidence.
Byles on Bills.

Besides the Public Statutes relating to Upper Canada, and the Practice of the Courts of Law and Equity.

And when the Candidate does go in for a Call "*with honors,*" then also in

Russell on Crimes.
Story on Partnership.
Watkin's Principles of Conveyancing.
Cootte on Mortgages.
Dart on Vendors and Purchasers.
Jarman on Wills.
Story's Conflict of Laws.
Justinian's Institutes.

13. *Ordered:* That the foregoing orders be Standing Orders of Convocation, and do take effect as such from the commencement of Michaelmas Term next, and not before, except as regards the appointment of a Committee of questions in Trinity Term next, for which purpose the third of such Standing Orders shall take effect upon the first day of Trinity Term next, but not before.

RULE.

Whereas, there is reason to hope that this Society may soon be able to procure Law Lectures to be delivered to their members upon a scale more or less extended, and it is desirable to render attendance upon such lectures necessary to the keeping of Terms under the Rule of the Society of 8 Geo. IV. ch. 1—By the Benchers &c., it is ordained,

That so soon as arrangements shall be made by Convocation for the delivery of Law Lectures to the members of this Society in Term time at Osgoode Hall, notice shall be given of the same in the Official Gazette of the Province in like manner as Notice of Admission and Call is now given in the same; and from thenceforth no student of the Society shall be allowed any Term as kept under the same rule unless in addition to the requirements of that rule, and those of the rule of Trinity Term 1 & 2 Wm. IV. ch. 1, he shall

attend all such Lectures as may be delivered during such Term, and shall exhibit to the Secretary on the last day of such Term, if not excused by Convocation during the same Term upon the ground of sickness or some unavoidable cause, a certificate or certificates from the Lecturer or Lecturers of such Term of his having so attended the said Lectures.

That it shall be the duty of the Secretary of this Society to keep a record of the Terms in which such Lectures shall have been delivered, the days on which each of such Lectures was delivered, and of the names of the Students who having duly attended such Lectures shall have duly exhibited to him the Lecturer's Certificate thereof.

SOLICITORS' ROLL.

OATH.

"I DO sincerely promise and swear that I will be faithful and bear true allegiance to Her Majesty Queen Victoria, as lawful Sovereign of the United Kingdom of Great Britain and Ireland, and of this Province, dependent on and belonging to the said Kingdom; and that I will defend her to the utmost of my power against all traitorous conspiracies or attempts whatever, which shall be made against her person, Crown and dignity; and that I will do my utmost endeavour to disclose and make known to Her Majesty, her heirs and successors, all treasons and traitorous conspiracies and attempts which I shall know to be against her or any of them. And all this I do swear without any equivocation, mental evasion, or secret reservation, and renouncing all pardons and dispensations from any person or power whatsoever to the contrary. So HELP ME GOD."

"I ALSO DO sincerely promise and swear that I will truly and honestly demean myself in the practice of a Solicitor of the Court of Chancery in this Province, all to the best of my knowledge and ability. So HELP ME GOD."

There is no division of Common Law, Equity, Civil Law, or Admiralty in the Scottish Courts; but the whole business, Civil and Criminal, Original and Appellate, is discharged by the Court of Session. For the transaction of Civil business it is divided into two divisions, each discharging precisely the same functions. One consists of the Lord Justice General and three Puisne Judges—the other of the Lord Justice Clerk and three Puisne Judges. The other five judges sit separately as permanent Lords Ordinary. They pronounce judgment in the first instance; and their judgment may be carried for review before either of the Inner Divisions. The Criminal business is discharged by the Lord Justice General, the Lord Justice Clerk, and four other judges who are appointed Judges of Justiciary under a separate commission.
